

KURK GERALD ELCANO PALARUAN

Pasileng Norte, Binalonan, Pangasinan | +639299694540 | kurkpalaruan.dev@gmail.com

OBJECTIVE

Aspiring full-stack developer seeking an entry-level IT position to build hands-on technical experience, strengthen my foundation in web development, and grow toward a long-term career in software/web development.

EDUCATION

- BS Information Technology — University of Eastern Pangasinan (2025–Present)
- Senior High School — Math Excellence Academy of Binalonan Inc. (2023–2025)
- Junior High School — Juan G. Macaraeg National High School (2019–2023)

WORK EXPERIENCE

Work Immersion Student — Local Government Unit, IT Department, Binalonan, Pangasinan
February 3–14, 2025

- Assisted daily administrative and technical operations within the IT department.
- Managed document handling and prepared equipment for meetings and local events.
- Coordinated logistics for LGU events while maintaining attention to detail under supervision.

SKILLS

- Fluent in Filipino, English, and Ilocano (native)
- HTML, CSS, and Git/GitHub basics (built and deployed a personal portfolio website)
- Working knowledge of MS Office
- Strong written and verbal communication
- Detail-oriented, punctual, and reliable under pressure
